### **RE: Seniority Roster Protest**

CN/WC Members:

As you know the 2013 Seniority Roster was posted on February 4, 2013. Upon review of the posted 2013 roster there were many errors discovered. Due to the amount of errors, the roster was revised and reposted on May 15, 2013. Any member disputing their placement on the Seniority Roster that was reissued must appeal their dispute in accordance with Article 7, Section 2 (b) of the Collective Bargaining Agreement. **Any seniority placement protest that was appealed on the February 4, 2013 roster must be re-appealed.**

### **ARTICLE 7 – SENIORITY**

#### **Section 2 - Seniority rosters**

B. A statute of limitations of sixty (60) days from the date of posting is hereby fixed to appeal a case of seniority. Seniority protests must be appealed to the officer of the Company designated to receive such appeals. Seniority roster appeals will be directly handled by the Labor/Management Committee in the same manner as all other claims and grievances. Protests that have previously been submitted and declined will not be accepted.

Any questions please contact your Local Chairman.

Fraternally,

John W. Reynolds
