

WISCONSIN STATE LEGISLATIVE BOARD  
 BROTHERHOOD OF LOCOMOTIVE ENGINEERS & TRAINMEN  
*A Division of the Rail Conference—International Brotherhood of Teamsters*  
 ANTHONY DIMOND – CHAIRMAN

BLET Members,

Wi-Tronix is a monitoring device Railroads could use for cell phone usage monitoring on locomotives.

**CREWS ARE BEING FIRED!**

If you had any question.....

**I CAN USE MY PHONE THIS ONCE.  
 NOT YOU, BUT A CREW MEMBER  
 DECIDES TO USE THEIRS.**

Current Wi-Tronix users

**Don't be without employment!**

Members need to demand complete adherence to  
**Federal law.**

**TURN OFF THOSE CELL PHONES AND COMPUTERS**
