

ATTENTION!!

Hartford Open-Enrollment Extended until April 30, 2014!!

Hartford has granted an extension to the open-enrollment for the CN-WC GCA Group Insurance Policy. Members who enrolled during the prior enrollment are currently insured (as of April 1st) so this extended open-enrollment does not affect you in any way. Members who have not yet enrolled, but would like to, can enroll before April 30, 2014 and will be insured on May 1, 2014.

There are two easy ways to enroll:

- **Online Enrollment:** Visit www.RailroadDisability.com and click on the secure "enroll here" button under the CN-WC GCA column at the bottom right of the home page.
- **Telephonic Enrollment:** Call (815) 477.7287 and ask to have your enrollment elections into the CN-WC GCA group insurance plan taken over the phone.

This will be the last enrollment period every available for this plan. If you have question you may call any of the following individuals for assistance
