Re: Critical Incident Director – Mobilization Coordinator

I am pleased to announce and welcome Brother Kory Hansen as the newly appointed Critical Incident Director – Mobilization Coordinator to our General Committee. This appointment is effective July 29, 2019. Brother Hansen is replacing Brother Gordy Hill. I would like to thank Brother Hill for his hard work and dedication during his time as Critical Incident Director – Mobilization Coordinator to our General Committee.

Brother Hansen is member of BLET Division 173 (Fond du Lac, Wisc.). In 2014, he was appointed Alternate Legislative Representative of his Division and assumed the Legislative Representative position in January of 2019. I know he will work tirelessly on behalf of the General Committee and all members of our Brotherhood. I have every confidence that he has the skill and dedication necessary to meet the challenges that lie ahead.

As Critical Incident Director to our General Committee Brother Hansen's duties will be, but not limited to, contacting members involved in critical incidents and ensuring all of their adequate needs are met. In his duties as Mobilization Coordinator Brother Hansen will be responsible for working with the General Committee's Division Coordinators in updating and maintaining the mobilization networks. These networks will be used to distribute pertinent information to our Membership.

Brother Hansen can be contacted as (920) 475-2931 or at k.hansenr173@gmail.com.

Fraternally,

John W. Reynolds
General Chairman
