Re: Tracking Your Claim

This is to advise you that the GCA has updated our website (bletcnwcgca.org) so you can track your claims through the appeal process. I would like to thank you for your patience during this process as it is ongoing maintenance.

To access these services, please see the attached document titled “Tracking Your Claim” for instructions on how to access this feature. Only claims at the GCA level will be listed in there, for any claims at the Division level contact your Local Chairman.

The status codes are as follows:

- TBD – To Be Determined
- FD – Further Declined
- WD – Claim withdrawn from future handling
- Appealed – appealed to Labor Relations
- Requested Conference – To be conferenced at the next LMRC meeting

For any issues with this process or issues related to the bletcnwcgca.org website, please contact the website administrator at: admin@bletcnwcgca.org to have them resolved.

Fraternally,

John W. Reynolds, CN-WC General Chairman
